

Green Team August 2023 Newsletter

The Green Team is a team of both core and ad hoc volunteers who help look after and maintain the green spaces in Whitchurch-on-Thames.

What's Happened Recently

- A Maze working party was held on Saturday 5th August.
- There was a Village Green working party on Saturday 26th August. The flower beds in the car park were weeded and the holly hedges tidied.
- We are investigating the possibility of getting funding from the Mend the Gap Programme to carry out improvement work on the mound near the cricket nets (Mend the Gap aims to enhance areas of the Chilterns AONB that have been negatively impacted by the electrification of the Great Western Railway).

Work Coming Up

- There is a Maze working party Saturday 9th September at 10am.
- The next Village Green working party will be on Saturday 30th September at 10am.

Upcoming events are published on the village website Whats On section.

Get involved!

We would love to hear from anyone who would like to get involved in looking after the green areas of the village. If you have noticed any areas which you think need a bit of maintenance, just get in touch. Also, do feel free to turn up at any of the published activities – you would be very welcome!
