

Warm Seasons Greeting from the Green Team!

### **Our Mission**

The Green Team is a team of both core and ad hoc volunteers who help look after and maintain the green spaces in Whitchurch-on-Thames. Coming together in this way also encourages a sense of community and is a good way of getting to know people.

### **What's On**

In January we'll be publishing the working parties for 2020. In the mean time you can find out more about the team and what we have planned at our new page on the village website here; <https://whitchurchonthames.com/groups/greenteam.html>

### **What's Happened Recently**

*A big thank you to all the volunteers who've helped with these tasks over the past month*

- Cleaning and trimming the Manor Road Playground
- Sweeping and tidying Muddy Lane
- Quotes being obtained for the work in the Polish Church Garden. More information about this project can be found here; <https://whitchurchonthames.com/groups/polishgarden.html>
- General clearing of leaves throughout the village
