

Green Team January and February 2023 Newsletter

The Green Team is a team of both core and ad hoc volunteers who help look after and maintain the green spaces in Whitchurch-on-Thames.

What's Happened Recently

As usual January and February were quiet months for the Green Team. At the end of January there was a Village Green working party, which focused on picking up fallen branches and tidying up the brambles and nettles around the area near the cricket nets.

Work Coming Up

- The Green Team have arranged a litter pick in Whitchurch on Saturday 18th March, at 2pm, to which any volunteers are welcome. Details will be put on the village website. The litter pick is part of the Keep Britain Tidy Great British Spring Clean, which is being supported by SODC.
- The next Village Green working party will be on Saturday 25th March at 10am.
- The first Maze working party of the year will be on Saturday 8th April at 10am. This year the working groups will be on the second Saturday in the month, rather than the first Saturday.

Upcoming events are published on the village website Whats On section.

Get involved!

We would love to hear from anyone who would like to get involved in looking after the green areas of the village. If you have noticed any areas which you think need a bit of maintenance, just get in touch. Also, do feel free to turn up at any of the published activities – you would be very welcome!
