

Green Team March 2023 Newsletter

The Green Team is a team of both core and ad hoc volunteers who help look after and maintain the green spaces in Whitchurch-on-Thames.

What's Happened Recently

- In March we had a successful litter picking day, collecting 4 bags of general rubbish and 3 bags of recyclable litter from around the village - many thanks to the team of volunteers (Pete, Charles, Tim, Chris, Geoff, Sarah, Brian and Jackie).
- Leslie Maynerd and a small group of helpers weeded the MOWS flower beds at the entrance to Walliscote Drive, and put in some new plants.
- At the end of March there was a Village Green working party, with the team clearing moss and weeds from the car park and picking up fallen branches in the area near the cricket nets.

Work Coming Up

- The first Maze working party of the year will be on Saturday 8th April at 10am. This year the working groups will be on the second Saturday in the month, rather than the first Saturday.
- The next Village Green working party will be on Saturday 29th April at 10am.
- Leslie will be organising a general tidy up of the MOWS flower bed area – volunteers for this would be very welcome.

Upcoming events are published on the village website Whats On section.

Get involved!

We would love to hear from anyone who would like to get involved in looking after the green areas of the village. If you have noticed any areas which you think need a bit of maintenance, just get in touch. Also, do feel free to turn up at any of the published activities – you would be very welcome!
