

Some Twinning Association photos, 1978 to 2003

The venue for the reception held during the first visit of our French friends was Hardwick House. The original charter was signed in 1978 by the leader of the Parish Council, Robert Noble, seen here. Both he and the first chairman, Christopher Claxton, are in the photo, attended the 20th anniversary celebration at Hardwick House in July 1998.

Active members Ian Bruce and Peter Hawley are seen here with well-known La Bouille resident, Martine Cousin.

Landmark years have been celebrated on both sides of the channel. This photo was taken on the 25th anniversary in 2003, when Whitchurch presented a specially commissioned painting to La Bouille.
