- Clearing brambles to give access to a garden fence adjacent to the Polish Garden.

## Work Coming Up

- There will be Maze working parties on 12<sup>th</sup> October and 9<sup>th</sup> November at 10am.
- The next Village Green working party is planned for the end of October.
- An autumn litter pick is being planned for November. Details will be published on the village website What's On section.

## Get involved!

We would love to hear from anyone who would like to get involved in looking after the green areas of the village. If you have noticed any areas which you think need a bit of maintenance, just get in touch. Also, do feel free to turn up at any of the published activities – you would be very welcome!
