

Hi everyone,

Welcome to the new Green Team newsletter - covering what's on, what's happened and how to find out more!

Our Mission

The Green Team is a team of both core and ad hoc volunteers who help look after and maintain the green spaces in Whitchurch-on-Thames. Coming together in this way also encourages a sense of community and is a good way of getting to know people.

What's On

- Clean and trim the Manor Road Playground - Saturday 23rd November 11am
- Sweep and tidy Muddy Lane - Sunday 1st December 11am

What's Happened Recently

A big thank you to all the volunteers who've helped with these tasks over the past two months

- Planting spring bulbs
- Lots of leaf clearing (in addition to District Council road sweeping team)
- Final working party of the year at the Maze to mow and edge the grass around the bricks
- The Friends of St Marys & St Johns have also had 2 working parties at St Johns churchyard to clear all the vegetation along the fenceline at the front (so that the railings can be painted and repaired).
- Get together and working party at the Polich Church Garden. More information about this project can be found here; <https://whitchurchonthames.com/groups/polishgarden.html>
- Trimming back verges on Hardwick Road and the High Street narrows
