

Green Team May, June and July 2025 Newsletter

The Green Team is a team of both core and ad hoc volunteers who help look after and maintain the green spaces in Whitchurch-on-Thames.

What's Happened Recently

- There were Maze working parties on 10th May and 14th June, when the grass along the edges of the maze bricks was trimmed and the maze area mown. There was no working party in July, because the weather had been so dry that the grass had not grown enough to need cutting back.
- Village Green working parties were held on 31st May, 28th June and 26th July. The work included trimming hedges along Eastfield Road and the car park, cutting back low branches of the trees on the green close to the car park and cutting up a fallen tree at the northern end of the green in the area adjacent to Muddy Lane.
- The MOWS flower beds at the entrance to Walliscote Drive were weeded and new plants put in.
- There was a working part at the Polish Garden on Saturday 19th July. The young apple and cherry trees were watered, paths through the wooded areas were cleared and the chapel area was tidied up and weeded.

Work Coming Up

- The next two Maze working parties are on 9th August and 13th September at 10am.
- The next two Village Green working parties are planned for the last Saturdays in August and September, starting at 10am.
- A Polish Garden working party is planned for some time in late September or October. More details will be given on the website nearer the time.

Get involved!

We would love to hear from anyone who would like to get involved in looking after the green areas of the village. If you have noticed any areas which you think need a bit of maintenance, just get in touch. Also, do feel free to turn up at any of the published activities – you would be very welcome!
