

# Green Team July 2023 Newsletter

---

The Green Team is a team of both core and ad hoc volunteers who help look after and maintain the green spaces in Whitchurch-on-Thames.

## What's Happened Recently

- A Maze working party was held on Saturday 10<sup>th</sup> July.
- There was a Village Green working party on Saturday 29<sup>th</sup> July. Nettles and brambles around the edge of the mound by the practice nets were removed. Small sycamores growing near the Eastfield Lane end of the green were cut back to allow more space and light for other young tree species.
- The triangle at the junction of Hardwick Road and the High Street is no longer being cut by the external contractors, as they say they can't use their strimmers if cars are parked on the road. Tim Hardwick, the Green Team guardian for this site, has kindly volunteered to take over the cutting.

## Work Coming Up

- There is a Maze working party Saturday 5<sup>th</sup> August at 10am.
- The next Village Green working party will be on Saturday 26<sup>th</sup> August at 10am.

Upcoming events are published on the village website Whats On section.

## Get involved!

We would love to hear from anyone who would like to get involved in looking after the green areas of the village. If you have noticed any areas which you think need a bit of maintenance, just get in touch. Also, do feel free to turn up at any of the published activities – you would be very welcome!
