

# Green Team October 2023 Newsletter

---

The Green Team is a team of both core and ad hoc volunteers who help look after and maintain the green spaces in Whitchurch-on-Thames.

## What's Happened Recently

- A Maze working party was held on Saturday 14<sup>th</sup> October.
- Earlier this year Oxfordshire County Council planted a Himalayan cherry tree in Eastfield Lane. OCC are trying to increase the number of trees in their region and have planted trees in a number of villages in Oxfordshire. The idea is that, once planted, the local community take care of the new trees. The Primary School helped us to find a family with children at the school who were happy to be 'guardians' of the tree. Many thanks to the Multon family for volunteering – they will look after the tree following guidance from the OCC tree services team.

## Work Coming Up

- There is a Maze working party Saturday 11<sup>th</sup> November at 10am.
- The next Village Green working party will be on Saturday 25<sup>th</sup> November at 10am.

Upcoming events are published on the village website Whats On section.

## Get involved!

We would love to hear from anyone who would like to get involved in looking after the green areas of the village. If you have noticed any areas which you think need a bit of maintenance, just get in touch. Also, do feel free to turn up at any of the published activities – you would be very welcome!
